Topic: U.S. Center for SafeSport and
Sports ETA Partnership

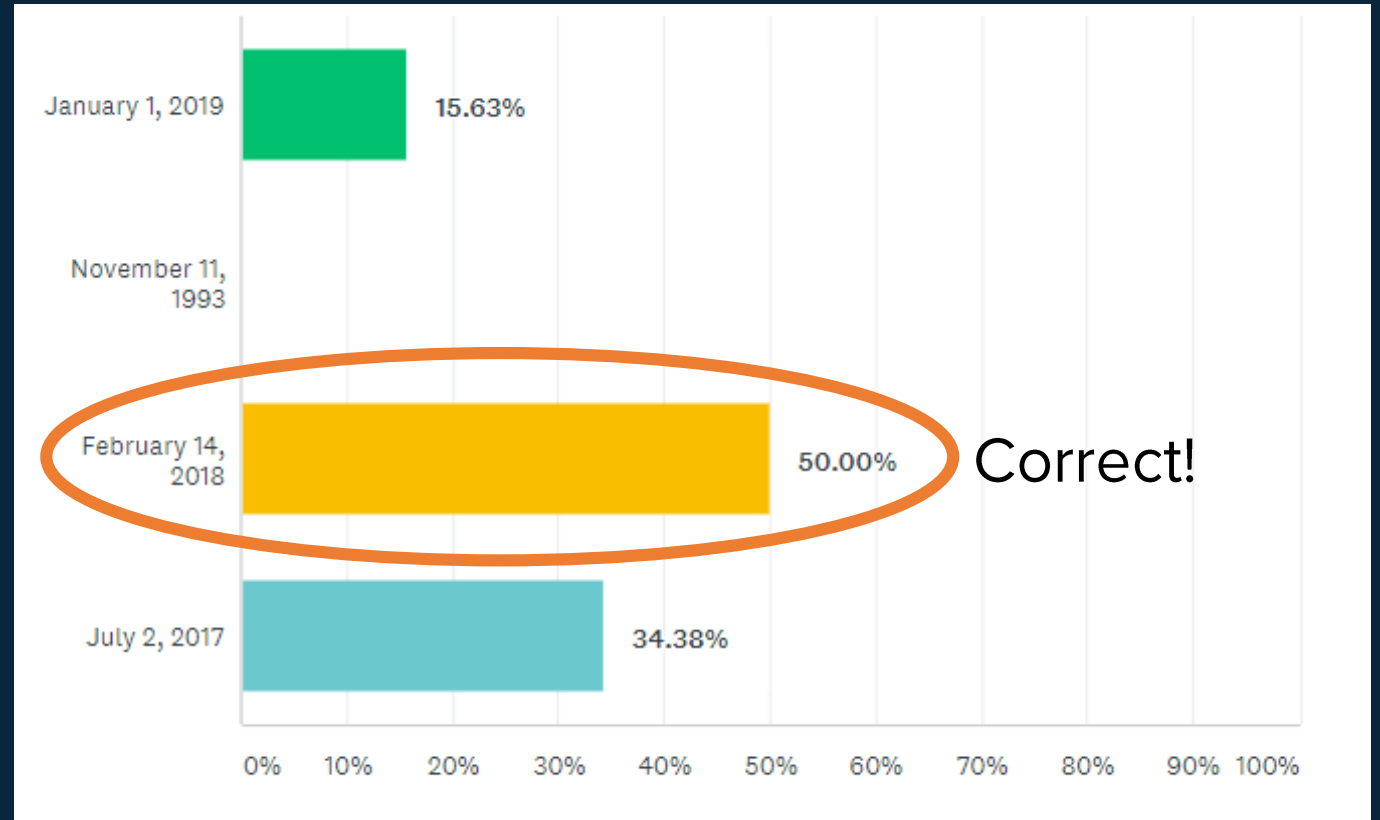

From the Safe Sport Quiz...

- How many reports has the U.S. Center for SafeSport received since it opened in March 2017?

From the Safe Sport Quiz...

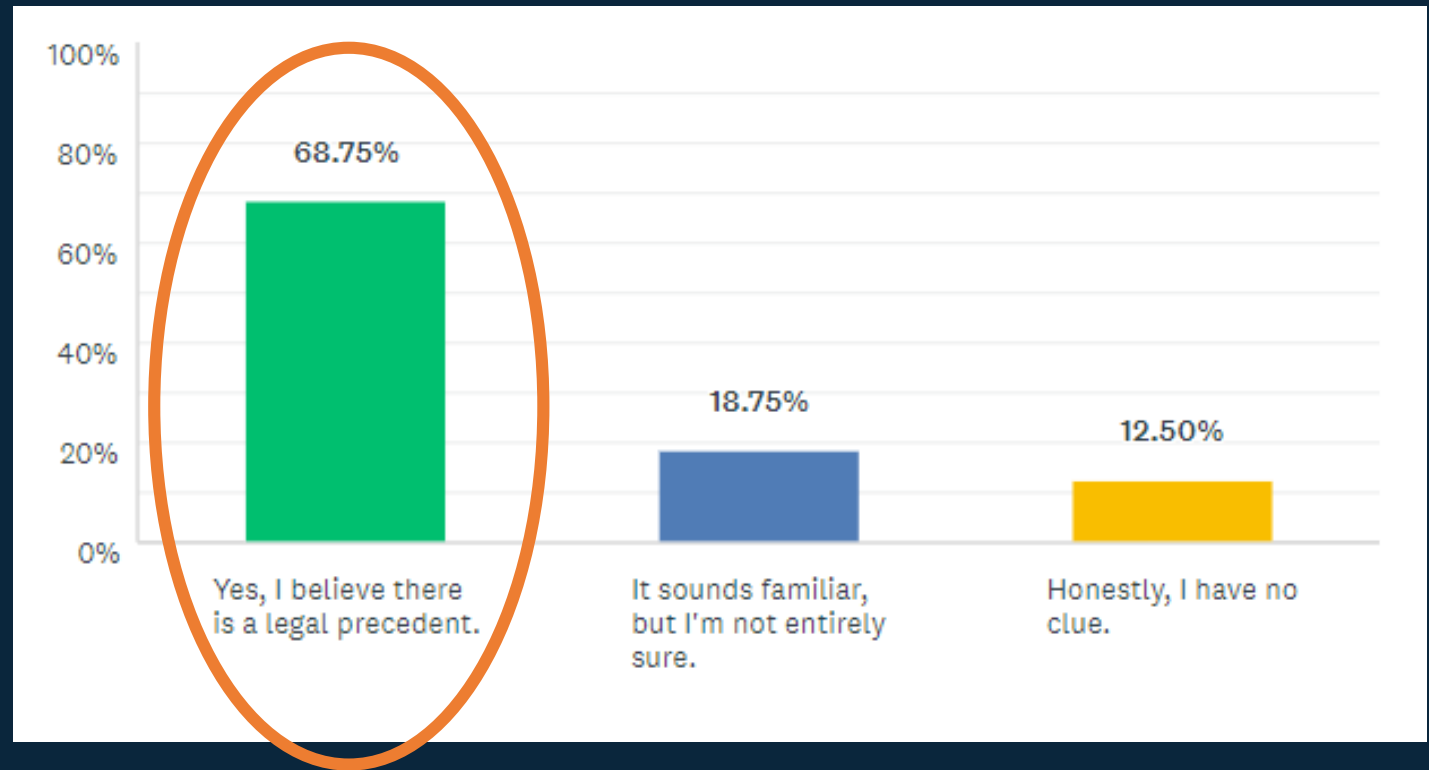

- When did the federal law, Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017, go into effect, requiring many amateur sports organizations in the U.S. to report child abuse, among other responsibilities?

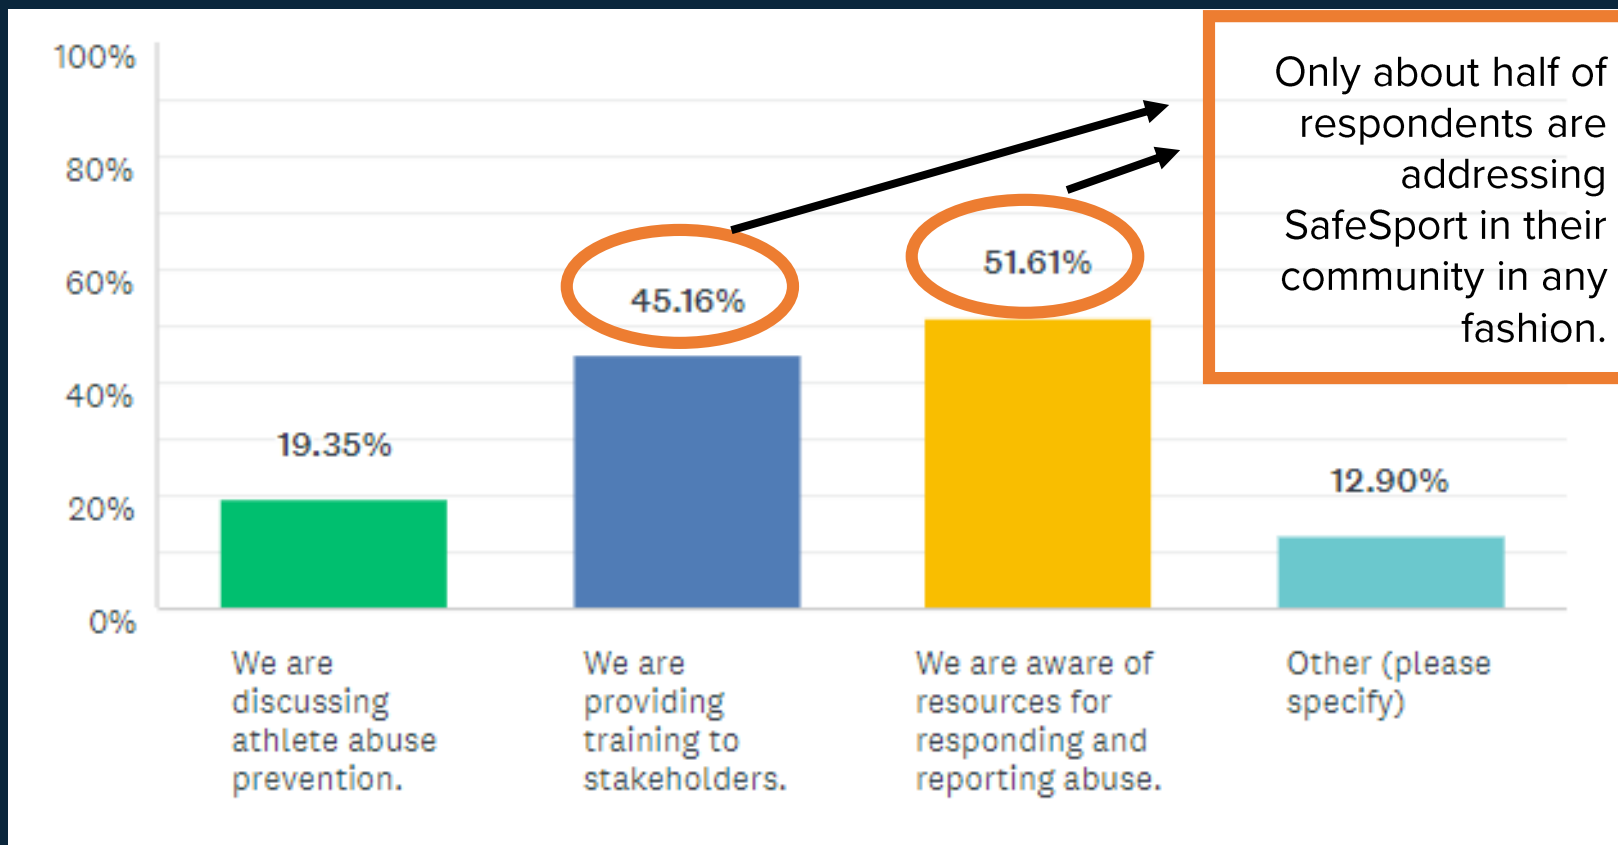

From the Safe Sport Quiz...

- Do you know if there is any legal precedent requiring amateur sports organizations to implement certain training standards?

Correct!

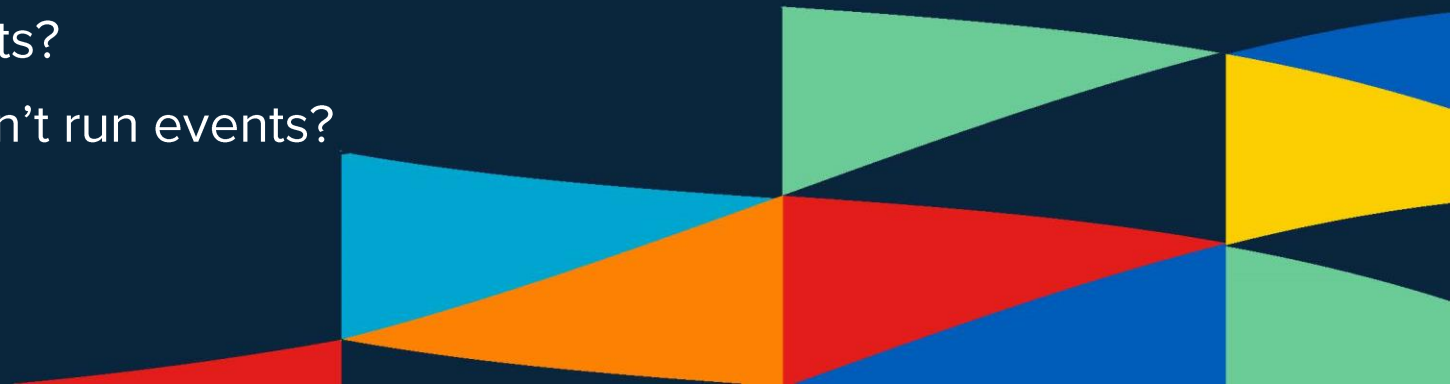

What is your community doing to address Safe Sport?

What questions do respondents have about Safe Sport and how it impacts our industry?

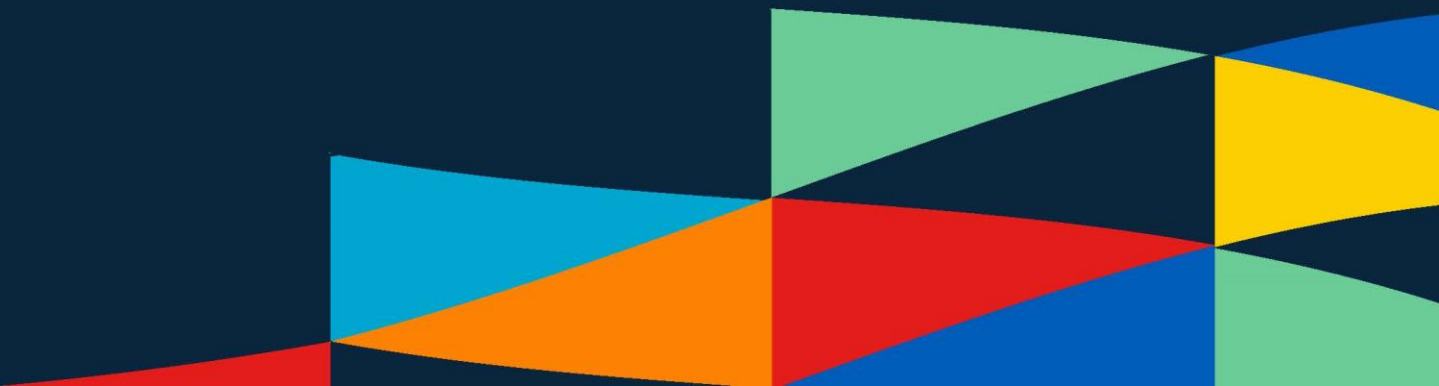

- How can we make it cost effective for communities to get trained?
- How can we get certified across multiple NGBs?
- How can we best make training available to coaches, tournament directors and parents?
- What are a host cities responsibilities regarding Safe Sport when partnering with an NGB?
- Is there a way to access training at low or no cost?
- Do CVB and sports commission staff need to be trained?
- How do we educate parents on the importance of Safe Sport training?
- Are their best practices for handling training for volunteers?
- How can we support Safe Sport efforts?
- Why should this matter to us if we don't run events?

Sports ETA and the U.S. Center for SafeSport are here to help you answer those questions.

CREATE A WINNING ENVIRONMENT FOR SPORTS SAFETY

About the U.S. Center for SafeSport:

The Center is an independent, nonprofit organization dedicated to making athlete well-being the centerpiece of sports culture by improving accountability. We do this in several ways, and everyone can participate! Our approach to preventing abuse in sport begins with awareness and how to recognize the red flags of emotional, physical and sexual misconduct, and then what to do if abuse does occur. We create your organization's ability to:

IDENTIFY | PREVENT | RESPOND
